Effective at 12:02 a.m. (Eastern Time) on January 1, 2020, the Partnership converted from a Delaware limited partnership to a Delaware corporation (the “Conversion”). The Corporation expressly adopts the Registration Statements, as modified by this Amendment, as its own registration statements for all purposes of the Securities Act and the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

For the purposes of this Amendment and the Registration Statements, (i) as of any time prior to the Conversion, references to “The Carlyle Group L.P.” and/or “the Partnership” mean the Partnership and its consolidated subsidiaries and, as of any time after the Conversion, if the context requires, references to “The Carlyle Group L.P.” and/or “the Partnership” are deleted and replaced with “The Carlyle Group Inc.” or “our company,” as applicable, which means the Corporation and its consolidated subsidiaries, (ii) as of any time prior to the Conversion, references to “the general partner” mean Carlyle Group Management L.L.C., which acted as the general partner of the Partnership, and, as of any time after the Conversion, if the context requires, references to “the general partner” are deleted and replaced with “the former general partner of The Carlyle Group L.P.”, (iii) as of any time

prior to the Conversion, references to “Common Units” mean the common units representing limited partner interests in the Partnership and, as of any time after the Conversion, if the context requires, references to “Common Units” are deleted and replaced with “common stock” which means common stock, par value \$0.01 per share, of the Corporation and (iv) as of any time prior to the Conversion, references to “Carlyle” mean the Partnership and its consolidated subsidiaries and, as of any time after the Conversion, if the context requires, references to “Carlyle” mean the Corporation and its consolidated subsidiaries.

In connection with the Conversion, the Corporation has amended and restated The Carlyle Group L.P. 2012 Equity Incentive Plan by adopting the Amended Equity Plan. The Amended Equity Plan is filed as an exhibit to this Amendment.

The rights of holders of the Corporation’s common stock are now governed by its Delaware certificate of incorporation, its Delaware bylaws and the Delaware General Corporation Law, each of which is described in Amendment No. 1 to Carlyle’s Registration Statement on Form 8-A.

The Registration Statements shall remain unchanged in all other respects. An investment vehicle comprised of selected partners of Simpson Thacher & Bartlett LLP, members of their families, related persons and others owns an interest representing less than 1% of the capital commitments of funds affiliated with the Partnership.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Registrant is incorporated under the laws of Delaware.

Section 145 of the Delaware General Corporation Law (the “DGCL”) provides that a corporation may indemnify directors and officers as well as other employees and individuals against expenses (including attorneys’ fees), judgments, fines and amounts paid in settlement in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, in which such person is made a party by reason of the fact that the person is or was a director, officer, employee or agent of the corporation (other than an action by or in the right of the corporation—a “derivative action”), if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person’s conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses (including attorneys’ fees) incurred in connection with the defense or settlement of such action, and the

statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation's bylaws, disinterested director vote, stockholder vote, agreement or otherwise.

Under the Registrant's certificate of incorporation, in most circumstances the Registrant will indemnify and hold harmless on an after tax basis the following persons, to the fullest extent permitted by law (including, if and to the extent applicable, Section 145 of the DGCL), from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements or other amounts: (a) Carlyle Group Management L.L.C. in its capacity as the former general partner of The Carlyle Group Inc. ("Former General Partner"), (b) any individual or a corporation, limited liability company, partnership, joint venture, trust, unincorporated organization, association (including any group, organization, co-tenancy, plan, board, council or committee), government (including a country, state, county, or any other governmental or political subdivision, agency or instrumentality thereof) or other entity (or series thereof) (each, a "Person") who is or was a "tax matters partner" (as defined in the U.S. Internal Revenue Code of 1986 (the "Code"), as in effect prior to 2018) or "partnership representative" (as defined in the Code), as applicable, (c) any officer or director of the Corporation or the Former General Partner, (d) any officer or director of the Corporation or the Former General Partner who is or was serving at the request of the Corporation or the Former General Partner as an officer, director, employee, member, partner, "tax matters partner" (as defined in the Code as in effect prior to 2018) or "partnership representative" (as defined in the Code), as applicable, agent, fiduciary or trustee of another Person; provided that a Person shall not be indemnified by reason of providing, on a fee for services basis, trustee, fiduciary or custodial services, (e) any Person who controls the Former General Partner, and (e) any Person that the Corporation in its sole discretion designates as an indemnitee as permitted by applicable law. Currently, Section 102(b)(7) of the DGCL requires that liability be imposed for the following:

- any breach of the director's duty of loyalty to the corporation or its stockholders;
- any act or omission not in good faith or which involved intentional misconduct or a knowing violation of law;
- unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the DGCL; and
- any transaction from which the director derived an improper personal benefit.

The Registrant has agreed to provide this indemnification unless there has been a final and non-appealable judgment entered into by a court of competent jurisdiction determining that these persons acted in bad faith or engaged in fraud or willful misconduct. Any indemnification under these provisions will only be out of the Registrant's assets. The Registrant may purchase insurance against liabilities asserted against and expenses incurred by persons in connection with its activities, regardless of whether the Registrant would have the power to indemnify the person against liabilities under the Registrant's certificate of incorporation.

The Registrant currently maintains liability insurance for its directors and officers. Such insurance would be available to the Registrant's directors and officers in accordance with its terms.

The Registrant is currently party to or intends to enter into indemnification agreements with its directors and executive officers. These agreements require or will require the Registrant to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to the Registrant, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors or executive officers, the Registrant has been informed that, in the opinion of the Commission, such indemnification is against public policy and is therefore unenforceable.

ITEM 9. UNDERTAKINGS.

The undersigned Registrant hereby undertakes:

- (a) (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that Paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m or 78o(d)) that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

The Administrator may correct any defect or supply any omission or reconcile any inconsistency in the Plan in the

Any decision of the Administrator in the interpretation and administration of the Plan, as described herein, shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned (including, but not limited to, Participants and their beneficiaries or successors).

(c) The Administrator shall have the full power and authority to establish the terms and conditions of any Award consistent with the provisions of the Plan and to waive any such terms and conditions at any time (including, without limitation, accelerating or waiving any vesting conditions).

(d) The Administrator may require payment of any amount it may determine to be necessary to withhold for U.S. federal, state, local, foreign or other taxes or social insurance contributions as a result of the exercise, grant or vesting of an Award (or such other taxable that may be applicable). In connection therewith, the Company or any Affiliate shall have the right to withhold from any compensation or other amount owing to the Participant, applicable withholding taxes or social insurance contributions with respect to any issuance or transfer under the Plan and to take such action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such withholding taxes or social insurance contributions. Additionally, the Administrator may permit or require a Participant to publicly sell, in a manner prescribed by the Administrator, a sufficient number of Shares in connection with the settlement of an Award (with a remittance of the sale proceeds to the Company) to cover applicable tax withholdings or social insurance contributions.

5. Limitations

No Award may be granted under the Plan after the tenth anniversary of the Effective Date, but Awards theretofore granted may extend beyond that date.

6. Terms and Conditions of Options

Options granted under the Plan shall be non-qualified options for U.S. federal income tax purposes, and shall be subject to the foregoing and the following terms and conditions and to such other terms and conditions, not inconsistent therewith, as the Administrator shall determine:

(a) Option Price. The Option Price per Share shall be determined by the Administrator; provided that the Option Price per Share shall not be less than the Fair Market Value of a Share on the applicable date the Option is granted unless the Participant is not subject to Section 409A of the Code or the Option is otherwise designed to be compliant with Section 409A of the Code.

(b) Exercisability. Options granted under the Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Administrator, but in no event shall an Option be exercisable more than ten years after the date it is granted.

(c) Exercise of Options. Except as otherwise provided in the Plan or in an Award agreement, an Option may be exercised for all, or from time to time any part, of the Shares for which it is then exercisable. For purposes of Section 6 of the Plan, the exercise date of an Option shall be the later of the date a notice of exercise is received by the Company and, if applicable,

the date payment is received by the Company pursuant to the relevant clauses in the following sentence. The purchase price for the Shares as to which an Option is exercised shall be paid to the Company, and in the manner designated by the Administrator, pursuant to one or more of the following methods: (i) in cash or its equivalent (e.g., by personal check), (ii) in Shares having a Fair Market Value equal to the aggregate Option Price for the Shares being purchased and satisfying such other requirements as may be imposed by the Administrator, (iii) partly in cash and partly in such Shares, (iv) if the Option relates to Shares and if there is a public market for the Shares at such time, through the delivery of irrevocable instructions to a broker to sell Shares obtained upon the exercise of the Option and to deliver promptly to the Company an amount out of the proceeds of such Sale equal to the aggregate Option Price for the Shares being purchased, or (v) to the extent permitted by the Administrator, through net settlement in Shares. Unless otherwise provided in an Award agreement, no Participant shall have any rights to distributions or other rights of a holder with respect to Shares subject to an Option until the Participant has given written notice of exercise of the Option, paid in full for such Shares and, if applicable, has satisfied any other conditions imposed by the Administrator pursuant to the Plan.

(d) Attestation. Wherever in this Plan or any agreement evidencing an Award a Participant is permitted to pay the exercise price of an Option or taxes relating to the exercise of an Option by delivering Shares, the Participant may, subject to procedures satisfactory to the Administrator, satisfy such delivery requirement by presenting proof of beneficial ownership of such Shares, in which case the Company shall treat the Option as exercised without further payment and/or shall withhold such number of Shares from the Shares acquired by the exercise of the Option, as appropriate.

(e) Service Recipient Stock. No Option may be granted to a Participant subject to Section 409A of the Code unless (i) the Shares constitute “service recipient stock” with respect to such Participant (as defined in Section 1.409A-1(b)(5)(iii)) or (ii) the Option is otherwise designed to be compliant with Section 409A of the Code.

7. Terms and Conditions of Share Appreciation Rights

(a) Grants. The Administrator may grant (i) a Share Appreciation Right independent of an Option or (ii) a Share Appreciation Right in connection with an Option, or a portion thereof. A Share Appreciation Right granted pursuant to clause (ii) of the preceding sentence (A) may be granted at the time the related Option is granted or at any time prior to the exercise or cancellation of the related Option, (B) shall cover the same number of Shares covered by an Option (or such lesser number of Shares as the Administrator may determine) and (C) shall be subject to the same terms and conditions as such Option except for such additional limitations as are contemplated by this Section 7 (or such additional limitations as may be included in an Award agreement).

(b) Terms. The exercise price per Share of a Share Appreciation Right shall be an amount determined by the Administrator; provided, however, that (y) the exercise price per Share shall not be less than the Fair Market Value of a Share on the applicable date the Share Appreciation Right is granted unless the Participant is not subject to Section 409A of the Code or the Share Appreciation Right is otherwise designed to be compliant with Section 409A of the Code and (z) in the case of a Share Appreciation Right granted in conjunction with an Option, or

a portion thereof, the exercise price may not be less than the Option Price of the related Option. Each Share Appreciation Right granted independent of an Option shall entitle a Participant upon exercise to an amount equal to (i) the excess of (A) the Fair Market Value on the exercise date of one Share over (B) the exercise price per Share, times (ii) the number of Shares covered by the Share Appreciation Right. Each Share Appreciation Right granted in conjunction with an Option, or a portion thereof, shall entitle a Participant to surrender to the Company the unexercised Option, or any portion thereof, and to receive from the Company in exchange therefore an amount equal to (i) the excess of (A) the Fair Market Value on the exercise date of one Share over (B) the Option Price per Share, times (ii) the number of Shares covered by the Option, or portion thereof, which is surrendered. Payment shall be made in Shares or in cash, or partly in Shares and partly in cash (any such Shares valued at such Fair Market Value), all as shall be determined by the Administrator. Share Appreciation Rights may be exercised from time to time upon actual receipt by the Company of written notice of exercise stating the number of Shares with respect to which the Share Appreciation Right is being exercised. The date a notice of exercise is received by the Company shall be the exercise date. The Administrator, in its sole discretion, may determine that no fractional Shares will be issued in payment for Share Appreciation Rights, but instead cash will be paid for a fraction or the number of Shares will be rounded downward to the next whole Share.

(c) Limitations. The Administrator may impose, in its discretion, such conditions upon the exercisability of Share Appreciation Rights as it may deem fit, but in no event shall a Share Appreciation Right be exercisable more than ten years after the date it is granted.

(d) Service Recipient Stock. No Share Appreciation Right may be granted to a Participant subject to Section 409A of the Code unless (i) the Shares constitute "service recipient stock" with respect to such Participant (as defined in Section 1.409A-1(b)(5)(iii)) or (ii) the Share Appreciation Right is otherwise designed to be compliant with Section 409A of the Code.

8. Other Share-Based Awards

The Administrator, in its sole discretion, may grant or sell Awards of Shares, restricted Shares, deferred restricted Shares, phantom restricted Shares or other Share-Based awards based in whole or in part on the Fair Market Value of the Shares ("Other Share-Based Awards"). Such Other Share-Based Awards shall be in such form, and dependent on such conditions, as the Administrator shall determine, including, without limitation, the right to receive, or vest with respect to, one or more Shares (or the equivalent cash value of such Shares) upon the completion of a specified period of service, the occurrence of an event and/or the attainment of performance objectives. Other Share-Based Awards may be granted alone or in addition to any other Awards granted under the Plan. Subject to the provisions of the Plan, the Administrator shall determine to whom and when Other Share-Based Awards will be made, the number of Shares to be awarded under (or otherwise related to) such Other Share-Based Awards; whether such Other Share-Based Awards shall be settled in cash, Shares or a combination of cash and Shares; and all other terms and conditions of such Awards (including, without limitation, any vesting provisions thereof).

9. Adjustments Upon Certain Events

Notwithstanding any other provisions in the Plan to the contrary, the following provisions shall apply to all Awards granted under the Plan:

(a) Generally. In the event of any change in the outstanding Shares after the Effective Date by reason of any Share distribution or split, reorganization, recapitalization, merger, consolidation, spin-off, combination, combination or transaction or exchange of Shares or other corporate exchange, or any distribution to holders of Shares other than regular cash distributions or any transaction similar to the foregoing, the Administrator shall make an equitable substitution or adjustment (subject to Section 17 of the Plan) as to (i) the number or kind of Shares or other securities issued or reserved for issuance pursuant to the Plan or pursuant to outstanding Awards, (ii) the Option Price or exercise price of any Option or Share Appreciation Right and/or (iii) any other affected terms of such Awards, in each case, to the extent determined by the Administrator to be necessary to preserve (and not to enlarge) Participants' rights with respect to Awards outstanding under the Plan; provided, however, that the manner and form of any such equitable adjustments shall be determined by the Administrator in its sole discretion and without liability to any person.

(b) Change in Control. In the event of a Change in Control after the Effective Date, the Administrator may (subject to Section 17 of the Plan), but shall not be obligated to, (i) accelerate, vest or cause the restrictions to lapse with respect to all or any portion of an Award, (ii) cancel such Awards for fair value (as determined in the sole discretion of the Administrator) which, in the case of Options and Share Appreciation Rights, may equal the excess, if any, of value of the consideration to be paid in the Change in Control transaction to holders of the same number of Shares subject to such Options or Share Appreciation Rights (or, if no consideration is paid in any such transaction, the Fair Market Value of the Shares subject to such Options or Share Appreciation Rights) over the aggregate exercise price of such Options or Share Appreciation Rights, (iii) provide for the issuance of substitute Awards that will substantially preserve the otherwise applicable terms of any affected Awards previously granted hereunder as determined by the Administrator in its sole discretion or (iv) provide that for a period of at least 15 days prior to the Change in Control, such Options shall be exercisable as to all shares subject thereto and that upon the occurrence of the Change in Control, such Options shall terminate and be of no further force and effect. The provisions of this Section 9(b) shall not limit a Participant's rights, if any, to accelerated vesting of an Award upon a Change in Control to the extent provided under the terms of any applicable Award agreement.

10. No Right to Continued Service, Employment or Awards

The granting of an Award under the Plan shall impose no obligation on the Company or any Affiliate to continue the Services of a Participant and shall not lessen or affect the Company's or Affiliate's right to terminate the Services of such Participant. No Participant or other Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants, or holders or beneficiaries of Awards. The terms and conditions of Awards and the Administrator's determinations and interpretations with respect thereto need not be the same with respect to each Participant (whether or not such Participants are similarly situated).

11. Successors and Assigns

The Plan shall be binding on all successors and assigns of the Company and a Participant, including without limitation, the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

12. Non-transferability of Awards

Unless otherwise determined or approved by the Administrator, an Award shall not be transferable or assignable by the Participant otherwise than by will or by the applicable laws of descent and distribution. An Award exercisable after the death of a Participant may be exercised by the legatees, personal representatives or distributees of the Participant.

13. Amendments or Termination

The Board may amend, alter or discontinue the Plan, but no amendment, alteration or discontinuation shall be made, without the consent of a Participant, if such action would materially diminish any of the rights of the Participant under any Award theretofore granted to such Participant under the Plan; provided, however, that the Administrator may amend the Plan in such manner as it deems necessary to permit the granting of Awards meeting the requirements of the Code or other applicable laws (including, without limitation, to avoid adverse tax consequences to the Company or to Participants).

Notwithstanding any provision of the Plan to the contrary, in the event that the Administrator determines that any amounts payable hereunder will be taxable to a Participant under Section 409A of the Code and related U.S. Department of Treasury guidance prior to payment to such Participant of such amount, the Company may (a) adopt such amendments to the Plan and Awards and appropriate policies and procedures, including amendments and policies with retroactive effect, that the Administrator determines necessary or appropriate to preserve the intended tax treatment of the benefits provided by the Plan and Awards hereunder and/or (b) take such other actions as the Administrator determines necessary or appropriate to avoid the imposition of an additional tax under Section 409A of the Code.

14. International Participants

With respect to Participants who reside or work outside the United States of America, the Administrator may, in its sole discretion, amend the terms of the Plan or Awards with respect to such Participants (or establish a sub-plan operating under the Plan) in order to permit or facilitate participation in the Plan, to conform such terms with the requirements of local law or to obtain more favorable tax or other treatment for a Participant, the Company or an Affiliate.

15. Choice of Law

The Plan shall be governed by and construed in accordance with the law of the State of New York, without regard to its conflict of law provisions.

16. Effectiveness of the Plan

The Plan shall be effective as of the Effective Date.

17. Section 409A

To the extent applicable, this Plan and Awards issued hereunder shall be interpreted in accordance with Section 409A of the Code and U.S. Department of Treasury regulations and other interpretative guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the Effective Date. Notwithstanding other provisions of the Plan or any Award agreements thereunder, no Award shall be granted, deferred, accelerated, extended, paid out or modified under this Plan in a manner that would result in the imposition of an additional tax under Section 409A of the Code upon a Participant. In the event that it is reasonably determined by the Administrator that, as a result of Section 409A of the Code, payments in respect of any Award under the Plan may not be made at the time contemplated by the terms of the Plan or the relevant Award agreement, as the case may be, without causing the Participant holding such Award to be subject to taxation under Section 409A of the Code, the Company may take whatever actions the Administrator determines necessary or appropriate to comply with, or exempt the Plan and Award agreement from the requirements of Section 409A of the Code and related U.S. Department of Treasury guidance and other interpretive materials as may be issued after the Effective Date, which action may include, but is not limited to, delaying payment to a Participant who is a "specified employee" within the meaning of Section 409A of the Code until the first day following the six-month period beginning on the date of the Participant's termination of Services. The Company shall use commercially reasonable efforts to implement the provisions of this Section 17 in good faith; provided that neither the Company, the Administrator nor any employee, director or representative of the Company or of any of its Affiliates shall have any liability to Participants with respect to this Section 17.

18. Fractional Shares

Notwithstanding other provisions of the Plan or any Award agreements thereunder, the Company shall not be obligated to issue or deliver fractional Shares pursuant to the Plan or any Award and the Administrator shall determine whether cash, other securities, or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be cancelled, terminated or otherwise eliminated with, or without, consideration.
